The Gamer's Guide to Diplomacy - 2ème Edition (1979)

Cette seconde édition reprend la couverture de la première édition, avec l'ajout de "2ND Edition - March 1979" (Product Code: C4001 5/88 10992-1-4)

Description

Ce guide de 36 pages, écrit par **Rod Walker**, donne un aperçu de la diplomatie (à la fois sur le jeu et sur le hobby).

Cette seconde édition du guide est sortie en 1979, publiée par "The Avalon Hill game company".

Cette édition corrige les erreurs présentes dans l'édition de 1978 (voir article [1ère Edition](#)).

En plus de ces corrections, quelques autres modifications mineures ont été apportées.

La première était une publicité à la page 35 pour le zine "Diplomacy World", qui ne figurait pas dans la première édition.

Deuxièmement, l'encadré décrivant le magazine "The General" a été modifié. Des détails supplémentaires concernant le contenu du magazine ont été inclus et, fait intéressant, le magazine a commencé à facturer des « frais minimes » pour les inscriptions dans la « Chronique des adversaires recherchés » (elles étaient indiquées comme étant gratuites dans l'édition 1978 du Guide).

TABLE OF CONTENTS	
<i>Diplomatic News</i>	<i>The diplomatic news publication DIPLOMACY has been around since 1978 and has been involved in DIPLOMACY since 1978. From 1978 to 1990 it published a monthly newsletter. From 1990 to 1992 it published DIPLOWIRE, an electronic newsletter. In all, 104 issues of DIPLOMACY have been published. Since 1992, the game has been available online via the game board here: www.diplomacy.com. The new <i>Diplomatic News</i> continues from issue 1 in 1978. While at the same time introducing a new name, the new <i>Diplomatic News</i> is also a monthly electronic newsletter. It has continued to grow and expand. We hope to continue to do so. During 1978-1979 we grew a little, then in 1979-1980 we grew a lot. In 1980-1981 we grew again, and in 1981-1982 we grew even more. In 1982-1983 we grew again, and in 1983-1984 we grew again. From 1984 to 1985 we wrote a regular column, <i>DIPLOMACY C.E.</i> for the professional game group <i>DIPLOMACY & Friends</i>. This is currently available online via the game board here: www.diplomacy.com.</i>
<i>A Note on Diplomacy</i>	<i>Mr. Walker holds degrees in International and political science. His expertise is in foreign relations and diplomatic history. He currently resides in the United States. He currently works as a teacher in California with his wife and two sons. He began playing DIPLOMACY in 1978, and became a founding member, wrote for the <i>Council of San Diego</i>, and is a founder member of the <i>DIPLOMACY & Friends</i> group. His work has appeared in the pages of <i>Globe</i>, <i>Our Magazine</i> and <i>The American Diplomat</i>. He also teaches courses writing. Mr. Walker is the last man to play DIPLOMACY these days. He just taught <i>Wikipedia</i>.</i>
